

The first meeting of the Working group on the elaboration of the National Qualifications Framework for Higher Education and the preparation of the report on self-certification

A meeting of the Working group was held in the convention hall of the Ministry of Education and Science of the Republic of Kazakhstan on April 22, 2019.

The composition of the Working group included representatives of the Ministry of Education and Science, the Ministry of Labor and Social Protection of Population, the Atameken National Chamber of Entrepreneurs, industry associations and higher education institutions.

Ground for the Working group formation: in May 2018, at Paris ministerial conference of the Bologna process countries, it was recommended to implement the process of self-certification of the National Qualifications Framework.

Purpose of the Working group formation - to revise the descriptors of the National Qualifications Framework for Higher and Postgraduate Education (NQF HE) taking into account all levels of the NQF and the Overarching Qualifications Framework of the European Higher Education Area (QF EHEA).

Expected results: improving the quality of designing of the educational programs for higher and postgraduate education, including prediction of learning outcomes; recognition of Kazakhstani academic degrees and qualifications; attractiveness of Kazakhstani higher education for foreign residents
